Re: Nelson Lorna-Pena v. Federal Bureau of Investigations et al.  
Civil Action No. 06-442-SLR

Dear Clerk:

I am in receipt of the defendants' notice of motion to dismiss along with a supporting brief and two sets of binded transcripts.

It is my understanding that L. Civ. P. 6.1 sets out the rules for extensions of time and continuances for when I must respond to a motion. As I would like to file papers in reply to the defendants' papers, I can only do so after being properly noticed of what scheduled date the original motion was scheduled to heard by the Court, as that information is lacking from their motion.

Therefore I am invoking the provisions of L. Civ. P. 7.1(d)(1)(5), requesting an extension of time to respond for a period not to exceed 14 days from the date the motion is scheduled to be heard, as I need more time prepare my response.

I have notified the defendants' counsel requesting her consent to this request. Please write to inform of whether the Court has granted my request and please advise me of when the motion is scheduled to be heard.

Thank you.

Sincerely,

Nelson Lorna-Pena
